

Bioscience Networking Summit

Tuesday, April 29, 2025
5:00pm – 7:00pm

NMSU Golf Course Club House
3000 Herb Wimberly Dr, Las Cruces, NM

Come join the NM Bioscience Authority, NMSU's Office of Research, Creativity, and Strategic Initiatives, and the Arrowhead Center to celebrate advancements of bioscience research and commercialization happening in Southern New Mexico and at NMSU's rural campuses.

In addition to a panel discussion from leaders in the region, this event will include an award presentation honoring an NMSU inventor or inventor team for their success in IP Commercialization, a poster showcase, refreshments, and networking with fellow attendees.

Students, researchers, and entrepreneurs are invited to showcase their bioscience related research and innovation as posters displayed throughout the venue. If you would like to bring a poster, please so indicate when you register at the link below.

Agenda

4:45pm	Venue Opens
5:00pm	Welcoming and Introduction
5:10pm	Presentation of 2025 Intellectual Property Award w/ President Ferme, (Invited)
5:30pm	Bioscience Panel Discussion
