

The Mesas to Mountains SBIR Innovation Summit

The Mesas to Mountains SBIR Innovation Summit will bring together small businesses, Federal program managers, innovation ecosystem representatives, experts, and local organizations who have a vested interest in driving innovation through the SBIR and STTR programs, connecting businesses to the innovation ecosystem for growth and development, and technology transfer and intellectual property protection.

Attend

The Summit's line-up features powerful speakers, informative panels, ability to schedule private one-on-one time with decision-makers, updates on the SBIR/STTR programs, and more.

October 11th and 12th, 2022.

Stay Informed

The NM FAST program publishes a monthly SBIR/STTR newsletter which highlights SBIR/STTR events, webinars, and conferences; provides agency updates; promotes additional funding opportunities of interest to SBIR/STTR applicants; and more.
