NATIVE AMERICAN SPRINT

Arrowhead Center's American Indian Business Enterprise Center is currently recruiting for the Native American BizSprint, a 5-week business accelerator program to help Native American

entrepreneurs successfully start and grow their businesses, and includes \$500 micro-grants to program graduates. This program focuses on the individual needs of each participant and connects them to essential resources. Arrowhead's Native American BizSprint is available at no cost through funding from the Indian Resource Development Center (IRD).

BE BOLD. Shape the Future.
College of Agricultural, Consumer
and Environmental Sciences
Indian Resources Development

ARROWHEAD CENTER®
AIBE American Indian
Business Enterprise

Businesses should be Native American-owned. Preference will be given to Native Entrepreneurs located in New Mexico and Navajo Nation.

What You Will Gain:

Business Support

Access to and support from an experienced group of mentors with expertise in branding, finance, business structure, marketing, taxation, patents, trademarks, and much more.

Considering new markets and customers.

Guided exploration of your Business Model Canvas—an at-a-glance document that will help you stay on track and grow your business. Guest speakers that discuss various topics, including personal experience in the field, best practices, and resources/tools available to our participants.

\$500 Micro Grant

Graduates of the accelerators who complete all of the requirements will receive a \$500 microgrant.

For more information, email contact the AIBE Center by email at aibe@nmsu.edu or call 575-646-3436.
