2024 SPONSOR INVITATION

About Aggie Shark Tank

The 2024 Aggie SharkTank event unites the Southwestern Borderplex Region for an exhilarating entrepreneurial experience. Witness the essence of start-up culture!

For nine years, Studio G has been scouting student entrepreneurs eager to expand their capital through Aggie Shark Tank. Featuring a diverse group of innovators and an enthusiastic panel of “sharks,” this annual event connects investors with start-ups seeking investment.

Invitation to sponsor

This annual event offers organizations the opportunity to show their support. Throughout the event's history, the Aggie SharkTank team has highlighted sponsors through various marketing materials. This includes pre- and post-event promotions and shoutouts to sponsors, reaching audiences through Studio G's online network. During the event, sponsors gain exposure to over 400 spectators at the ASNMSU Center for the Arts theater.

Sponsoring this event will benefit your brand, expand your network, and capture the audience's attention. The next page features three different sponsorship packages from which you can choose.
